PRESS RELEASE

Rocky Mount, NC, (November 7, 2018) - Ilco is pleased to reintroduce the Peaks® Preferred Patented Key Control System. The breadth of the Peaks Preferred line, combined with the Ilco cylinder component synergies makes Peaks Preferred the system of choice for existing properties that need a refresh.

By fitting into existing hardware, Peaks Preferred can save a facility thousands of dollars while providing secure system. Peaks Preferred retrofits most major brands of Grade 1 and Grade 2 Hardware.

- Peaks® Patent prevents unauthorized key duplication or manufacturing
- Simplistic and reliable pin tumbler technology
- Master Keying systems created and maintained by the factory
- Visual and hidden ID available
- Customized keys available
- Factory can design & manufacture custom cylinders as needed
- Typical, standard key machine cuts Peaks keys
- Minimal Dealer buy in
- Available Mortise, Rim, Key-in-Lever/Knob cylinders, and several different interchangeable and removeable cores

The **New Dealer Promotion** is a great way to join the Peaks Preferred family of authorized dealers. Sign up by March 4, 2019 to take advantage of the “New Dealer” offer.

Contact your Ilco distributor for pricing AND to find out more about becoming a Peaks Preferred authorized dealer.
