

FOR IMMEDIATE RELEASE

PRESS RELEASE

Rocky Mount, NC, (August 1, 2019) – Ilco is please to introduce the *new 07V clamp for Futura, Futura Pro & Futura Edge.*

The 07V Peaks/Best clamp eliminates the hassle of tip-stopping Peaks[®] and Best[®] keys.

Simply install the 07V in place of the 01V and calibrate the clamp to the machine.

Eliminate the hassle of
tip-stopping Peaks[®] and
Best[®] keys
on Futura, Futura Pro
and Futura Edge
