

Futura Correction: 06L Cutter for Lexus 80000 Code Series

The correct cutter for the Lexus 80000 code series is the 06L.

The 02L cutter was communicated in the original Futura support materials as required for the Lexus 80000 code series. The 02L cutter is still required on some applications as noted below.

Laser cutter applications in the current FUTURA database:

Cutter Required	Code Series	Applications
Cutter 02L	DE1-11210	Alfa Romeo, Fiat, Ford EU, Peugeot, Gilera (Cycles), Piaggio (Cycles)
Cutter 02L	Z2001-9416	Aprilia (Cycles), Ducati (Cycles), KTM, Moto Guzzi (Cycles)
Cutter 02L	K5001-8276	BMW (Cycles)
Cutter 06L	80000-89999	Lexus
